

# HOMETOWN

**Interested in getting involved at Texas State but not quite sure how? Start here with Hometown Bobcats...**

*Hometown Bobcats is a program to connect you to fellow students, the University, and campus resources. And best of all these are students, faculty, and staff from your hometown area! Student groups will meet throughout the semester and discuss topics such as academic support services, registration, exam preparation, leadership and team building. Other activities include cheering on the Bobcats at university athletic events, tailgating and a ropes course!*
